

*As man progresses spiritually, tiny valves leading up the spinal column open one by one. Eventually, he reaches the last 3 parts of nerves, which in turn opens the 12 spiritual centers of the brain and flood the physical form with spiritual power and awareness, changing one from Human to "Son of the Most High". This is what it means within the Holy Tablets when it speaks of Human's evolution into a higher mental frequency.*

*The Brain cavity is raised to a higher level because of the Electromagnetic forces created by the change of light forces within our earth's atmosphere. It is this source of light that will interpenetrate the earth's magnetic field, altering the biological rhythms. It's force will alter humans biorhythm, allowing them to receive whole light being, upon reinsertion of the Barathary Gland and reactivate the Supreme Melanin. Humans will have the brain of an electromagnetic computer, and will be forced to adapt to an enlarged electromagnetic spectrum. In humans brain, at present, there are normally only a few of the 12 spiritual centers opened or active, affecting man's daily life. I, Melchizedek am awakening certain senses within your brain, Sensors that have been set in your genetic coding since before your birth of the soul, which was set to go off. This may not have occurred at birth, or at any other time until NOW, that you read what I, as your spiritual guide, have taught you, awakening your senses through the Ancient & Mystic Order of Melchizedek.*
