

RELIGION -VS- SPIRITUALITY

DO WE NEED RELIGION

BY.IMAM UMAR A. SHARIF EL-

Today - Religion vs. Spirituality - Tapping into the God-Self.
"The word Messiah refers to an "expected deliverer or a leader of some hope or cause". It seems like everybody is looking for a Messiah... waiting on a savior. Don't look for someone to come out of the sky & save us from destruction. Don't be foolish & deceived to wait for someone to come from the heavens when all we need is right here on Earth, with & IN us. The Messiah is not one being or one thing that will descend from the heavens. The Messiah(s) are the righteous ones ascending from the valleys of death. With true knowledge, wisdom, righteousness & Divine WILL instilled in us through the All-Mighty-One, we are empowered to deliver ourselves from self-destruction & resurrect our existence to Godliness. We have the Messianic, Crystallized, Christ power to heal & rebuild the old world into a new world. A new world that is a heaven on earth. Do we have the courage?"
