

MASJID AL-SALAAM

AL-QURAN VS- FABRICATED HADITH

PART 2

BY ABDULLAH ARIK

WOMEN LIFT MOUNTAINS;

Musnad Ahmad

"If a man orders a woman to lift a mountain she should be ready to lift it."

To enter paradise , a woman should be ready to lift a mountain otherwise her husband would not be happy with her.

Is this the kind of Islam (Submission) they talk about ??? In true Islam (Submission in English) , the submission is only to God. Remember that the women are supposed to be the weaker sex ? The weaker sex lift a mountain ?!

HUSBAND AS A GOD:

Sahih Bukhary;

Abu Hurayra said; the messenger of God said;

"A woman should not fast except with her husband's permission."

Again you can see the contradiction to the Quran.

Nowhere in the Quran can you find this kind of order. **Every soul is responsible for his/her own deeds. A husband will not carry the sins of his wife if she does not fast or do her prayers.** The order for fasting in the Quran goes to both men and women. God holds every person responsible for his/her own deed. God told us repeatedly in the Quran that on the day of Judgment people will always blame somebody else for their fall, but this does not help.see AL-QURAN 2:166-167
